Learning Together

Our years at H.H.S. have been spent primarily in learning together. We appreciate the opportunities we have been offered in our wide selection of outstanding classes.

School is often thought a dull place, but this is far from the truth at H.H.S. We have been fortunate to have teachers and facilities which make our classes come to life; many of our classes are rated quite highly in the state.

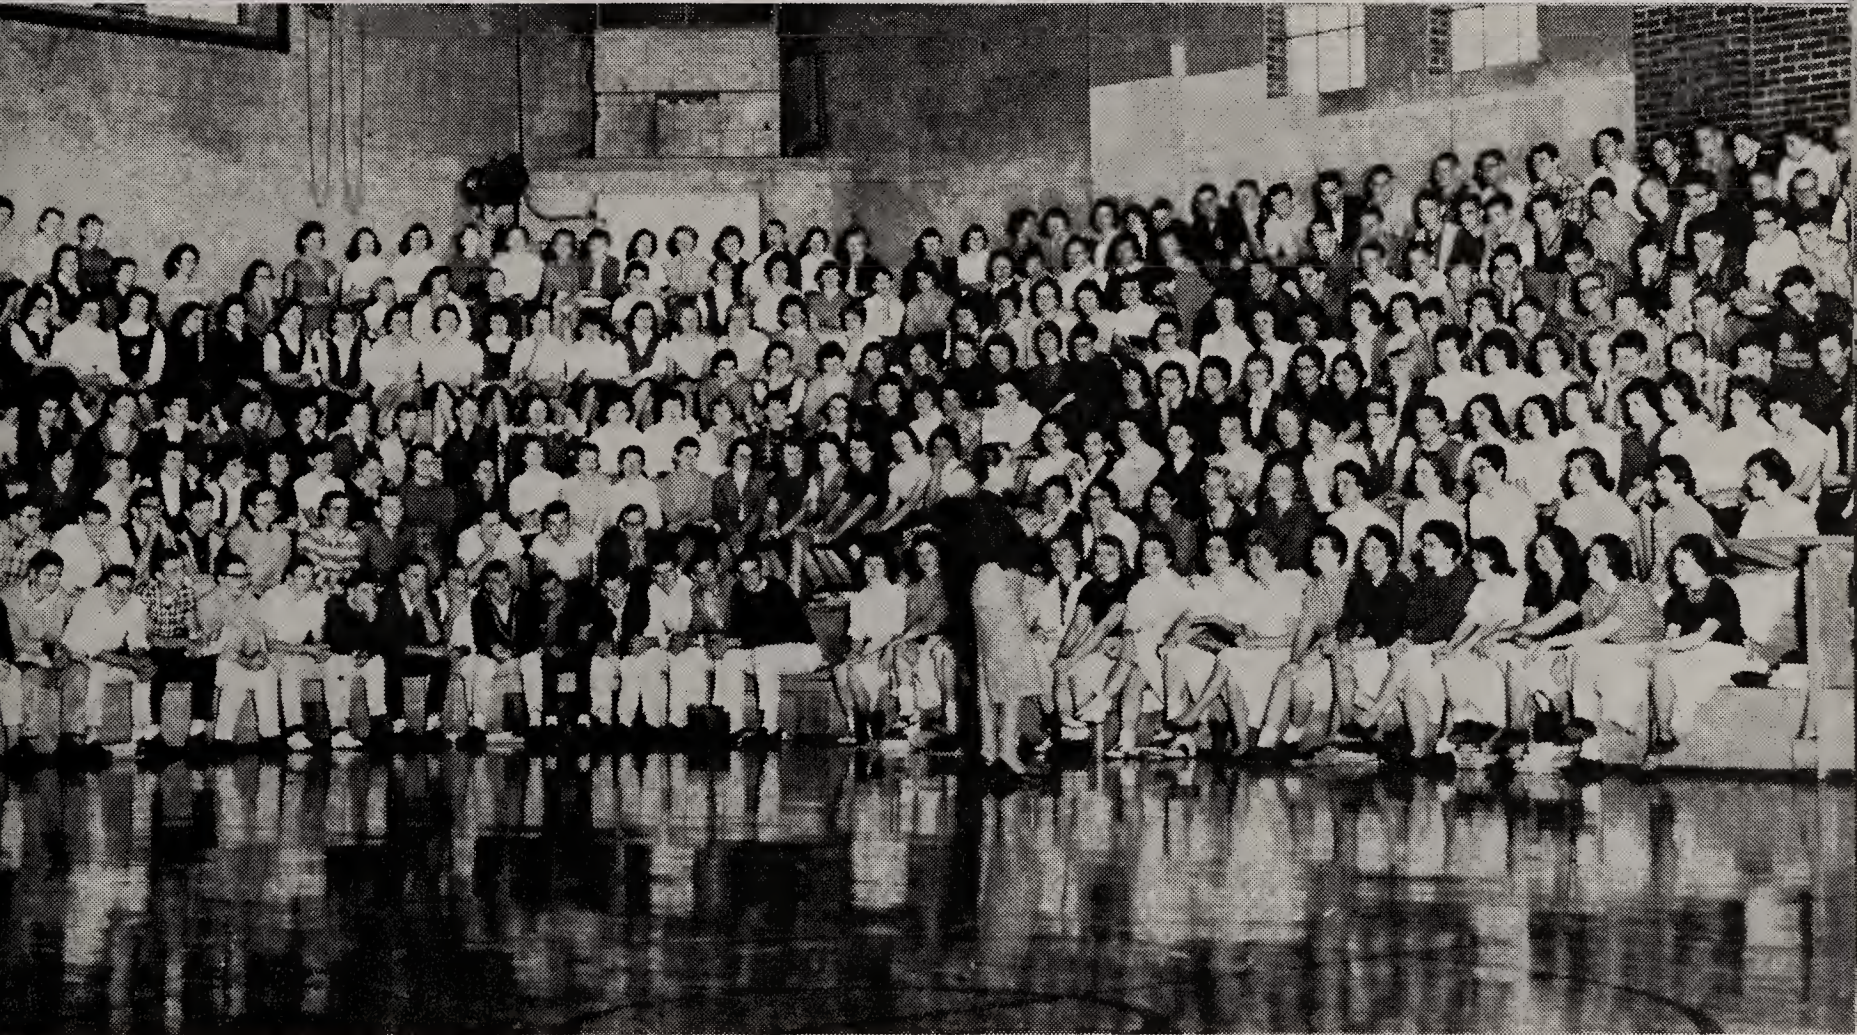

The academic outlook at H.H.S. has been and is very challenging, worthwhile, and interesting.

Playing Together

"At the Hop"

Students at H.H.S. enjoyed many varied activities together. Throughout the year, each student participates in many co-curricular activities from class projects to club activities. In any organization, there must be good followers as well as good leaders. At H.H.S., the clubs help the students develop the qualities of leadership and responsibility that will help them very much all through life. Through activities, we at H.H.S. learn to get along better with each other and to become well-rounded individuals.

"Heavenly voices"

"Reaching for our goals"

Winning Together

"Two bits, four bits, six bits, a dollar"

Under the direction of our coaches Mr. Hunter, Mr. Hamman, Mr. Showalter, and Mr. Nichols, our athletic teams held their own on the floor, track, and field. Our golf team won the sectional tourney and was a great favorite to win the state. Records were broken in track as old names were replaced by new. Although our football and basketball teams lost many Seniors from last year, they shared in many victories.

"Where's the jeep?"

Living Together

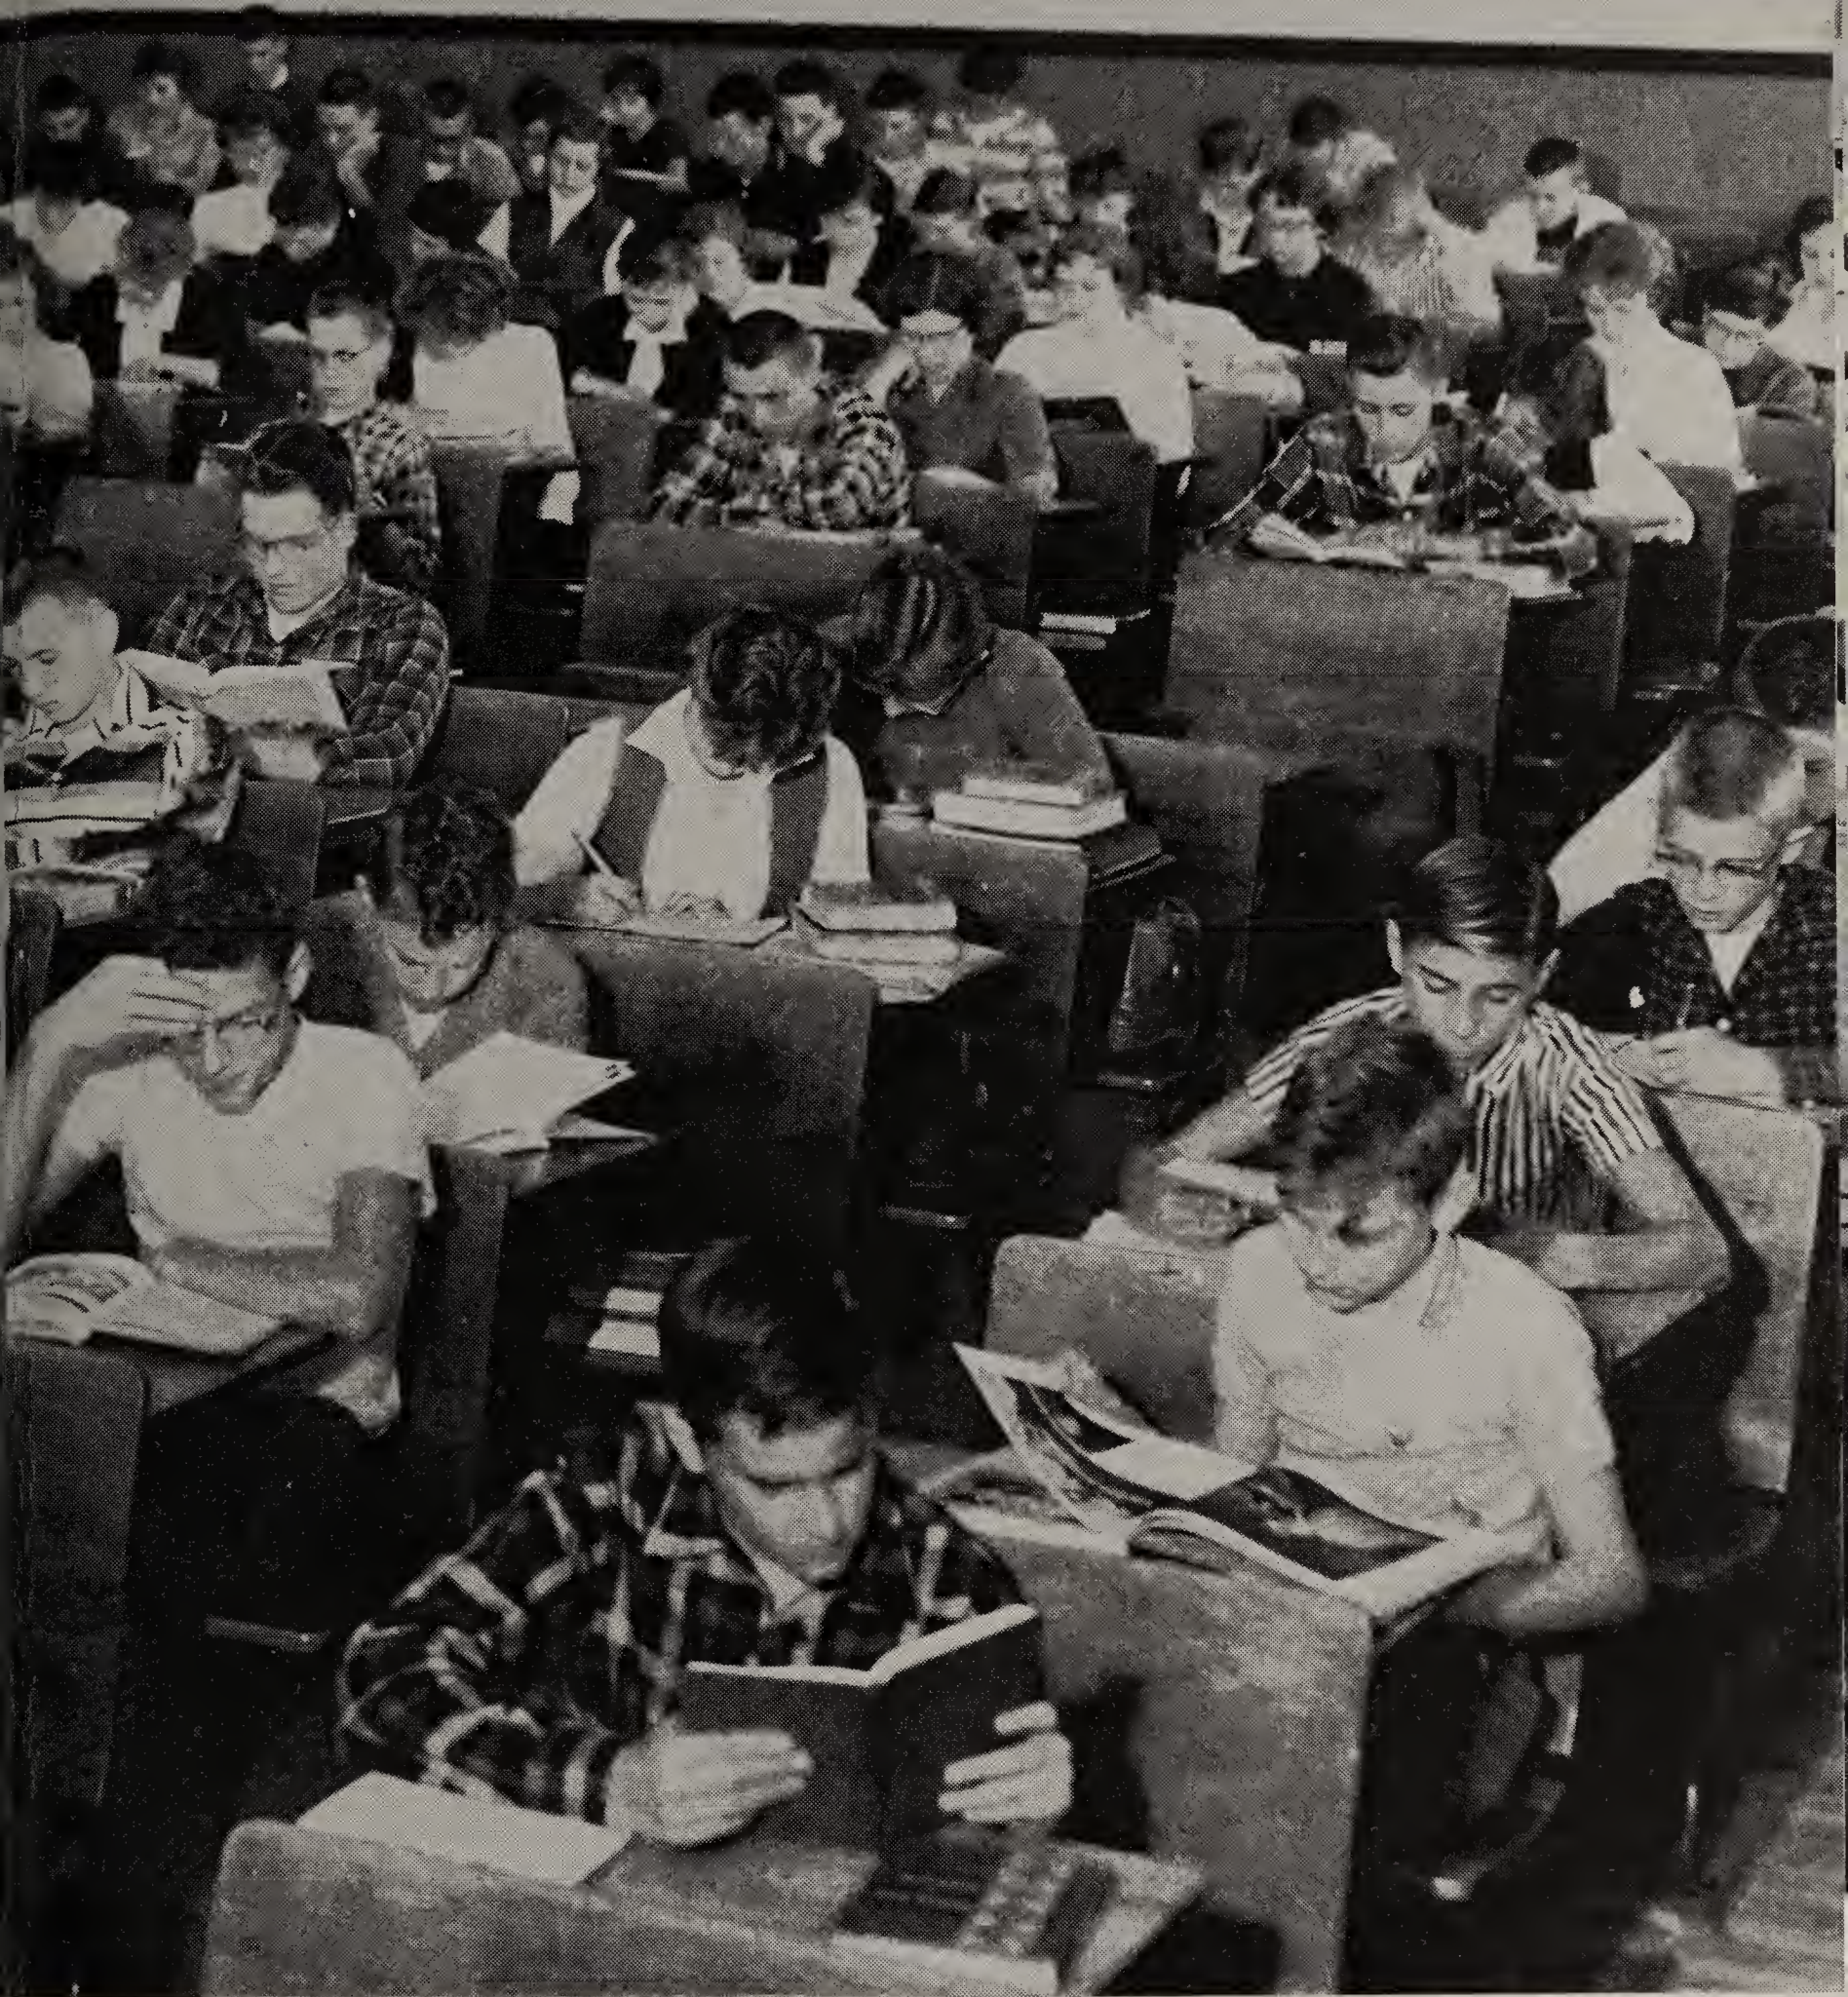

Life at H.H.S. leaves many memories for each student: The ringing of that long awaited bell, standing in the cafeteria line, running between buildings in the rain, seniors rushing for the first row of bleachers for pep sessions, studying in the library, hoping to make next six week's honor roll, semester exams, Christmas vacation, sectional tourney, class plays, prom, and graduation. Then summer vacation arrives and one must say good-byes to old friends, especially the seniors with their yellow cords, and teachers.

The teachers at H.H.S. are the greatest that any school system could have; all the students are grateful to them.

"Eat, drink and be merry!"

LEARNING TOGETHER . . .

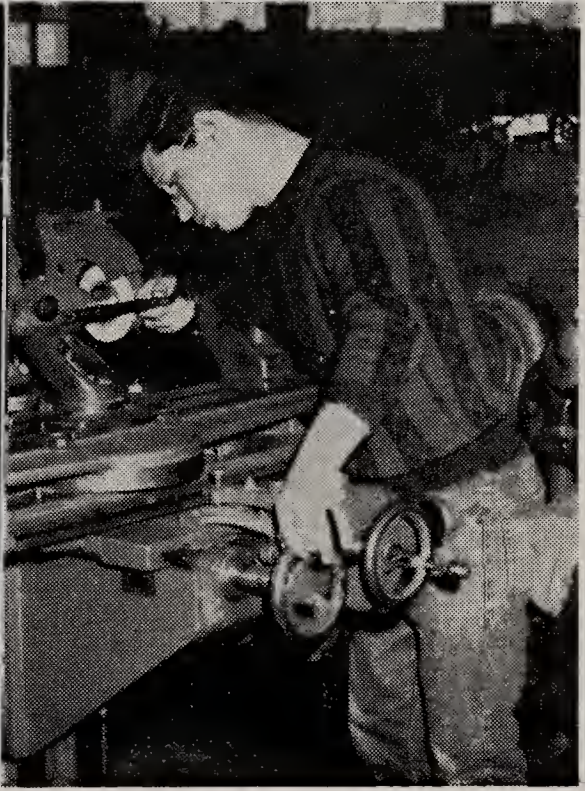

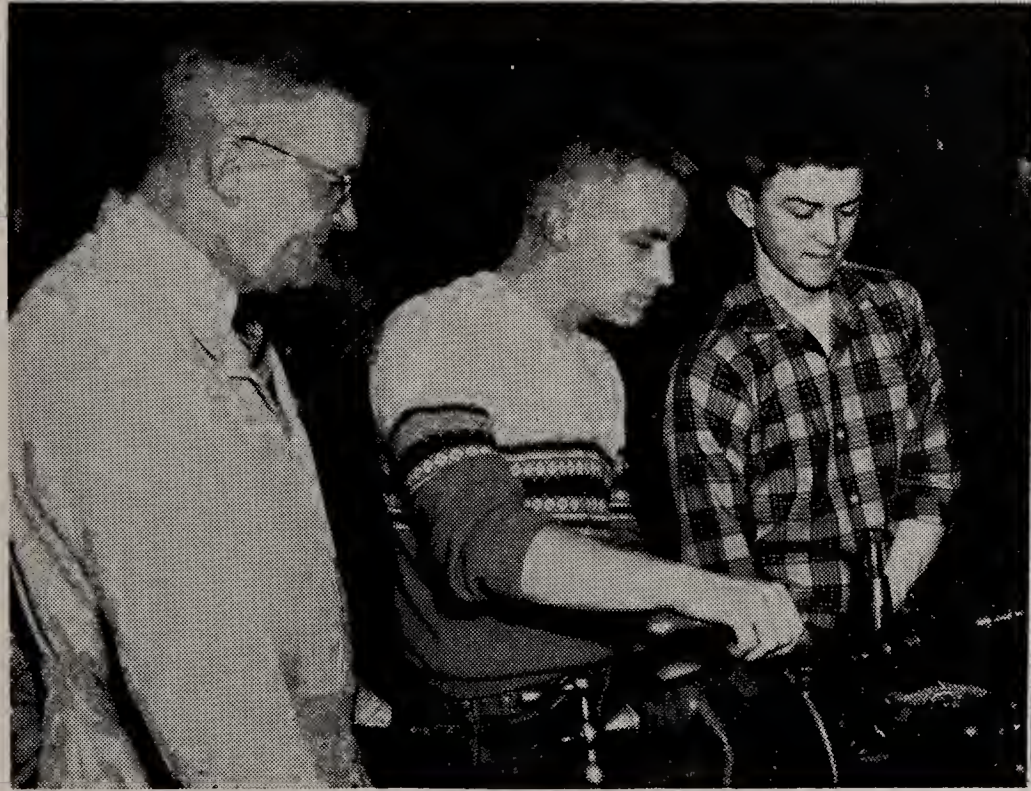

Shop

About one fifth of the students in our school attend shop classes. Thirty-eight boys from the eighth grade and fifteen freshmen work under Mr. Peters' instruction in the wood shop.

Mr. Sedgwick teaches thirty-three students in mechanical drawing and blueprint reading, thirty-eight in machine shop, and thirteen boys in advanced shop.

Owing to the generosity of the Perfect Circle Corporation and Breese Brothers Sawmill, the class needs little or no financial support from the school, a fact of which the students and teachers are particularly proud. We are very fortunate to have such a fine shop.

Chorus

H.H.S. has been fortunate in having an outstanding chorus this past year. For most students, the choir meets five days a week. The girls ensemble, the mixed ensemble, a girls' quartet, and the barbershop quartet won first in district music competition this year. The girls' quartet and the barbershop quartet won firsts in state competition, and the mixed ensemble won second.

The chorus, in conjunction with the band, presented three concerts this year. One concert at Christmas time, one in February and a spring concert. The chorus is under the direction of Miss Wanda Freeman.

Boy Scouts and Explorers

Under the able leadership of Scoutmaster Orlo Blomquist and Explorer Advisor Bob Beeson, these boys participate in many community activities, making Hagerstown a better place in which to live. The Scouts certainly live up to their motto, "Be Prepared." More of us should try to follow their motto and keep in mind their slogan, "Do a Good Turn Daily." We all should commend the Boy Scouts and Explorers on the fine job they are doing in their work for the betterment of the community.

Student Council

The Student Council is a new school service organization. Members of the Council were elected from each home room. The Council serves as a "sounding board" for student opinion. Students and teachers may go before the Council with suggestions for the improvement of the school. The Student Council is not a legal body and cannot formulate school policy; however, it is continually working for the betterment of our high school.

Library Assistants and Office Girls

The assistant librarians are kept busy in our new library signing and sorting books for all of the students. In addition to the new library, we have a new system; everyone is assigned a library card and this has to be used when signing out a book. A notice is issued as a reminder when your book is overdue.

Our office girls are kept busy gathering all of the attendance slips and keeping records. Running up and down the stairs on errands and being receptionist is not hard work, and the girls will have to admit that it may come in handy later on in life.

Band

The band this year proved itself one of the school's most valuable assets. In their new uniforms, the "Golden Tiger Band" presented various half-time shows during the football and basketball seasons. This is the first year that there has been a separate Junior High Orchestra, and they have presented several half-time basketball shows. The band has also presented three concerts and taken part in the regional contest.

First Aid

This year's first aid class, taught by Ted Sedgwick, has had an advantage over the classes in the past by having a room to themselves where they can keep their equipment and practice their exercises. They have fixed up first aid kits which we all agree come in handy around the school with all our accidents.

Junior Red Cross

Under the guidance of Miss Helen Frum, the Junior Red Cross has sponsored many worthwhile projects during the year. The J.R.C. Council is in charge of the enrollment drive at the first of the year. The members of the council worked on gift boxes. They also provided entertainment for hospitals and made tray favors for patients.

The big event of the J.R.C. year is the annual Junior Red Cross Variety Show. Here, the students are able to exhibit their talents for a worthy cause. With organizations such as the Junior Red Cross in our high school, we are assured that our school is doing its part in making a better community and world in which to live.

Latin Club

The Latin Club's primary goal is to promote interest in Latin outside the classroom. The Latin Club is affiliated with the Junior Classical League. Throughout the year, members participate in club meetings by presenting skits; they see slides and learn many things about Roman culture and government that have influenced our civilization so much. The highlight of the Latin Club's activities is the Roman Banquet held annually in the spring.

Spanish Club

The Spanish Club's purpose is to further arouse the student's interest and supplement his knowledge of the Spanish language and customs. The Spanish students have participated in meetings by presenting skits and playing Spanish games. Slides and films are also shown to acquaint the students with Spanish life. The Spanish students enjoy and benefit from their club meetings.

F. H. A. Party

Future Homemakers of America is an organization designed to increase girls' knowledge of homemaking. The F.H.A. has many interesting and worthwhile projects, such as a bake sale, tea, and Christmas party at the Children's Home. The F.H.A. initiation party was informal and was enjoyed by all the girls.

National Honor Society

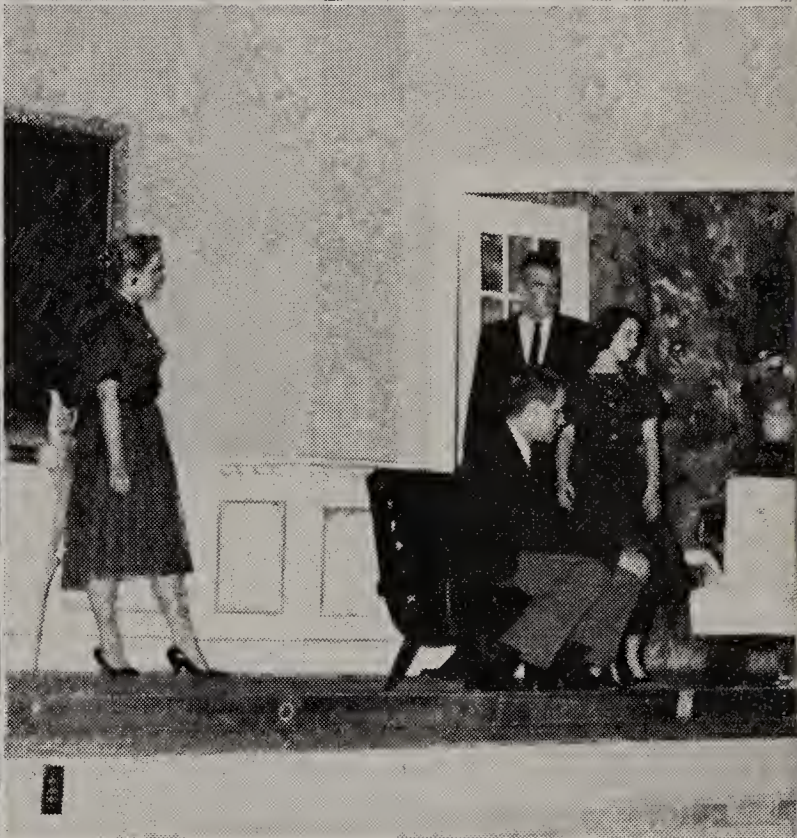

The National Honor Society is an organization developed to honor students who excel in scholarship, leadership, character, and service. Scholarship is the first criteria making a student eligible for membership in the society. The students are then graded on the other specified qualities. The National Honor Society is not an active organization; however, they hold one money-making project a year and a convocation to explain the goals of the National Honor Society to the student body.

Senior Carnival

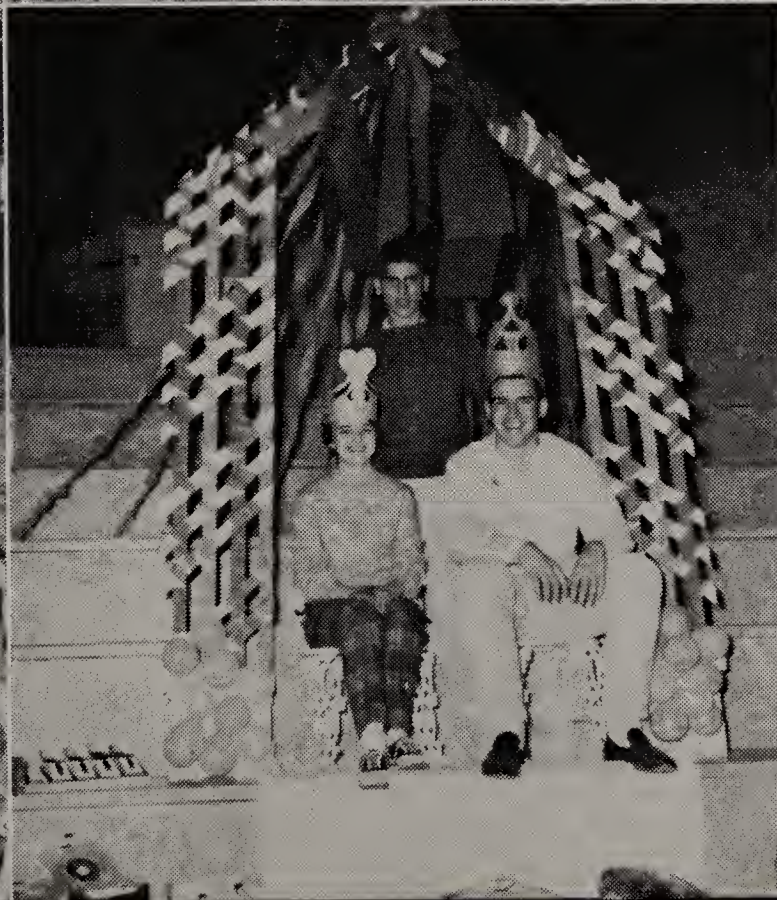

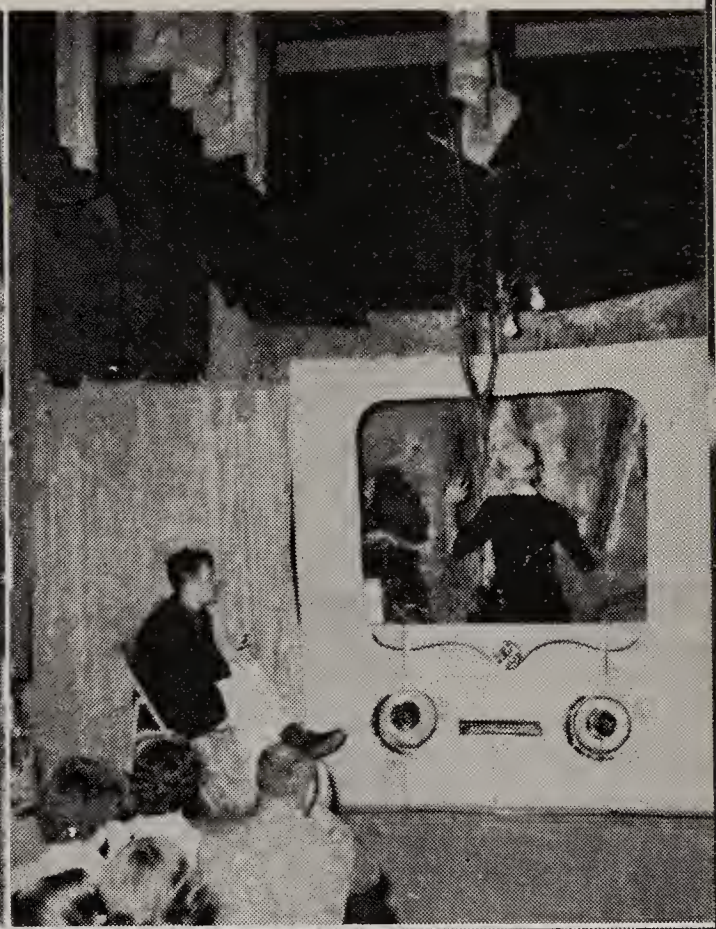

"Where's the masking tape, Susie?"

"I can't find the scissors anywhere!"

These were familiar cries the night before the Senior Carnival. Finally, each booth was completed; and the gala affair was underway! The class of 1960's carnival was held on November 13, a night of fun and excitement for all. We seniors worked long and diligently, planning, setting up, and decorating for the carnival.

The parade at noon was a colorful spectacle enjoyed by all. Huge banners were carried by the Seniors advertising the various booths. Climaxing the evening was the crowning of the king, Larry Jester, and the queen, Judy McCormick Hays by Tim Bookout, class president. The evening was enjoyed by all.

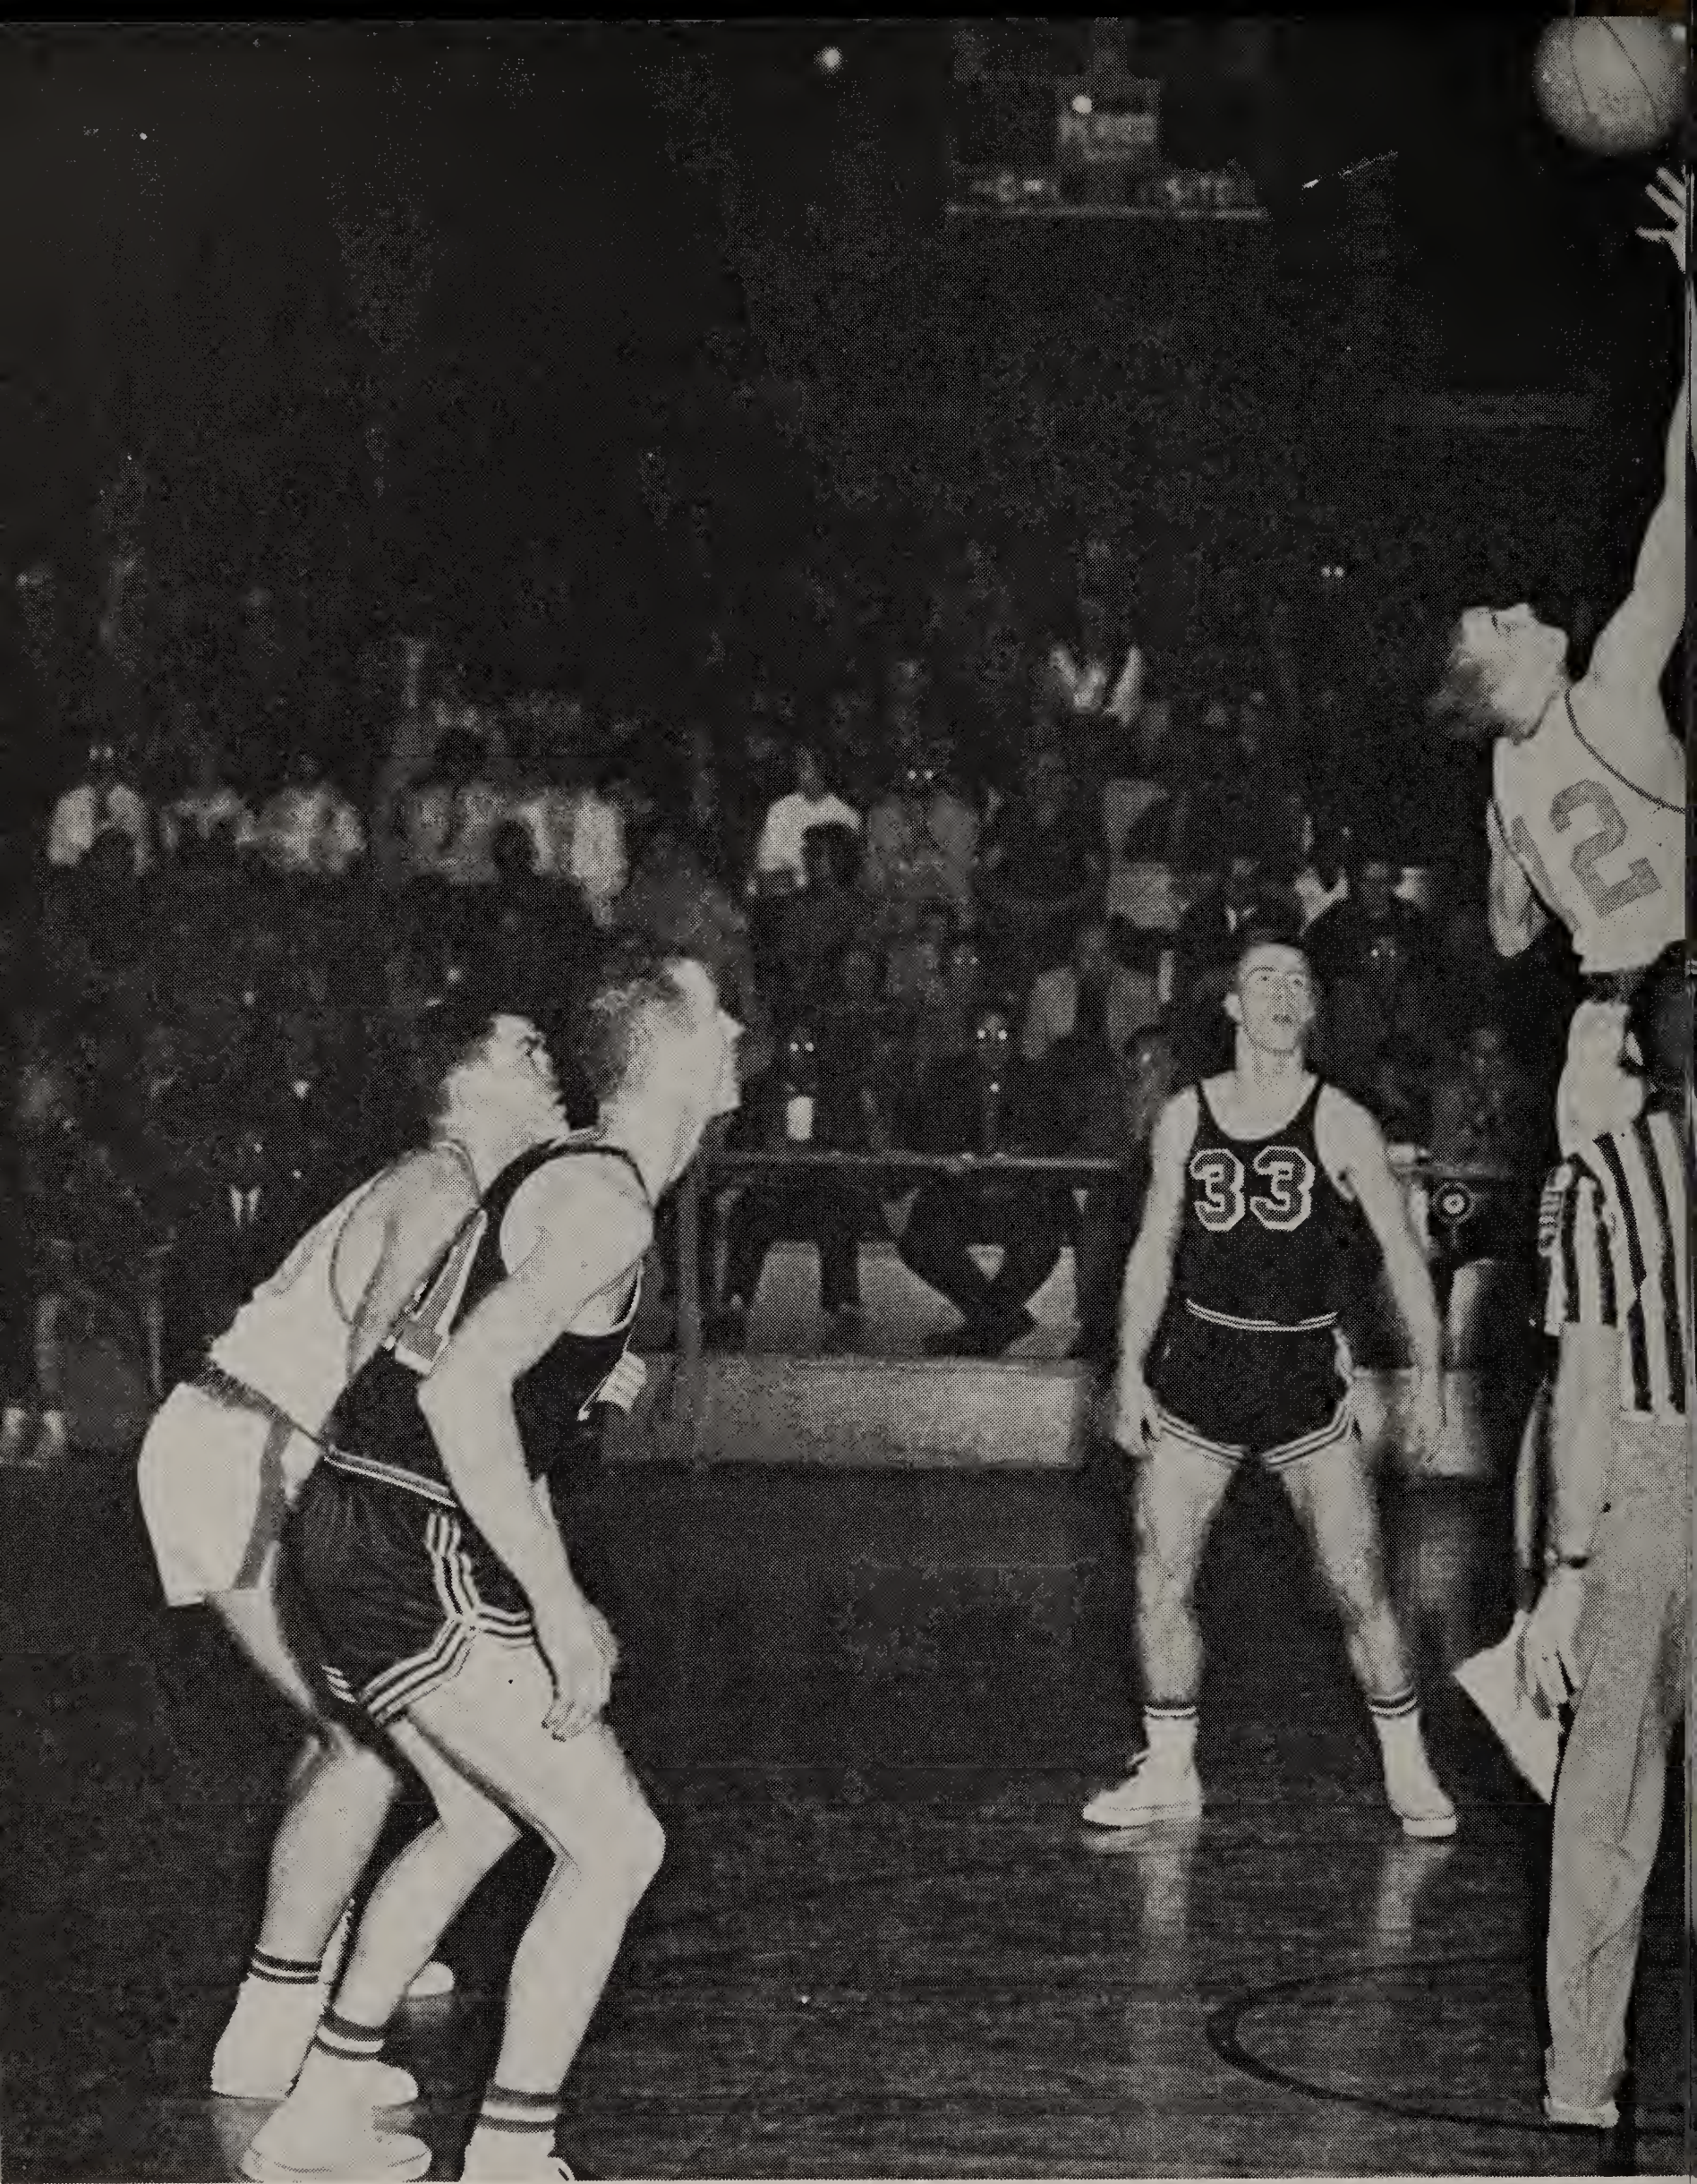

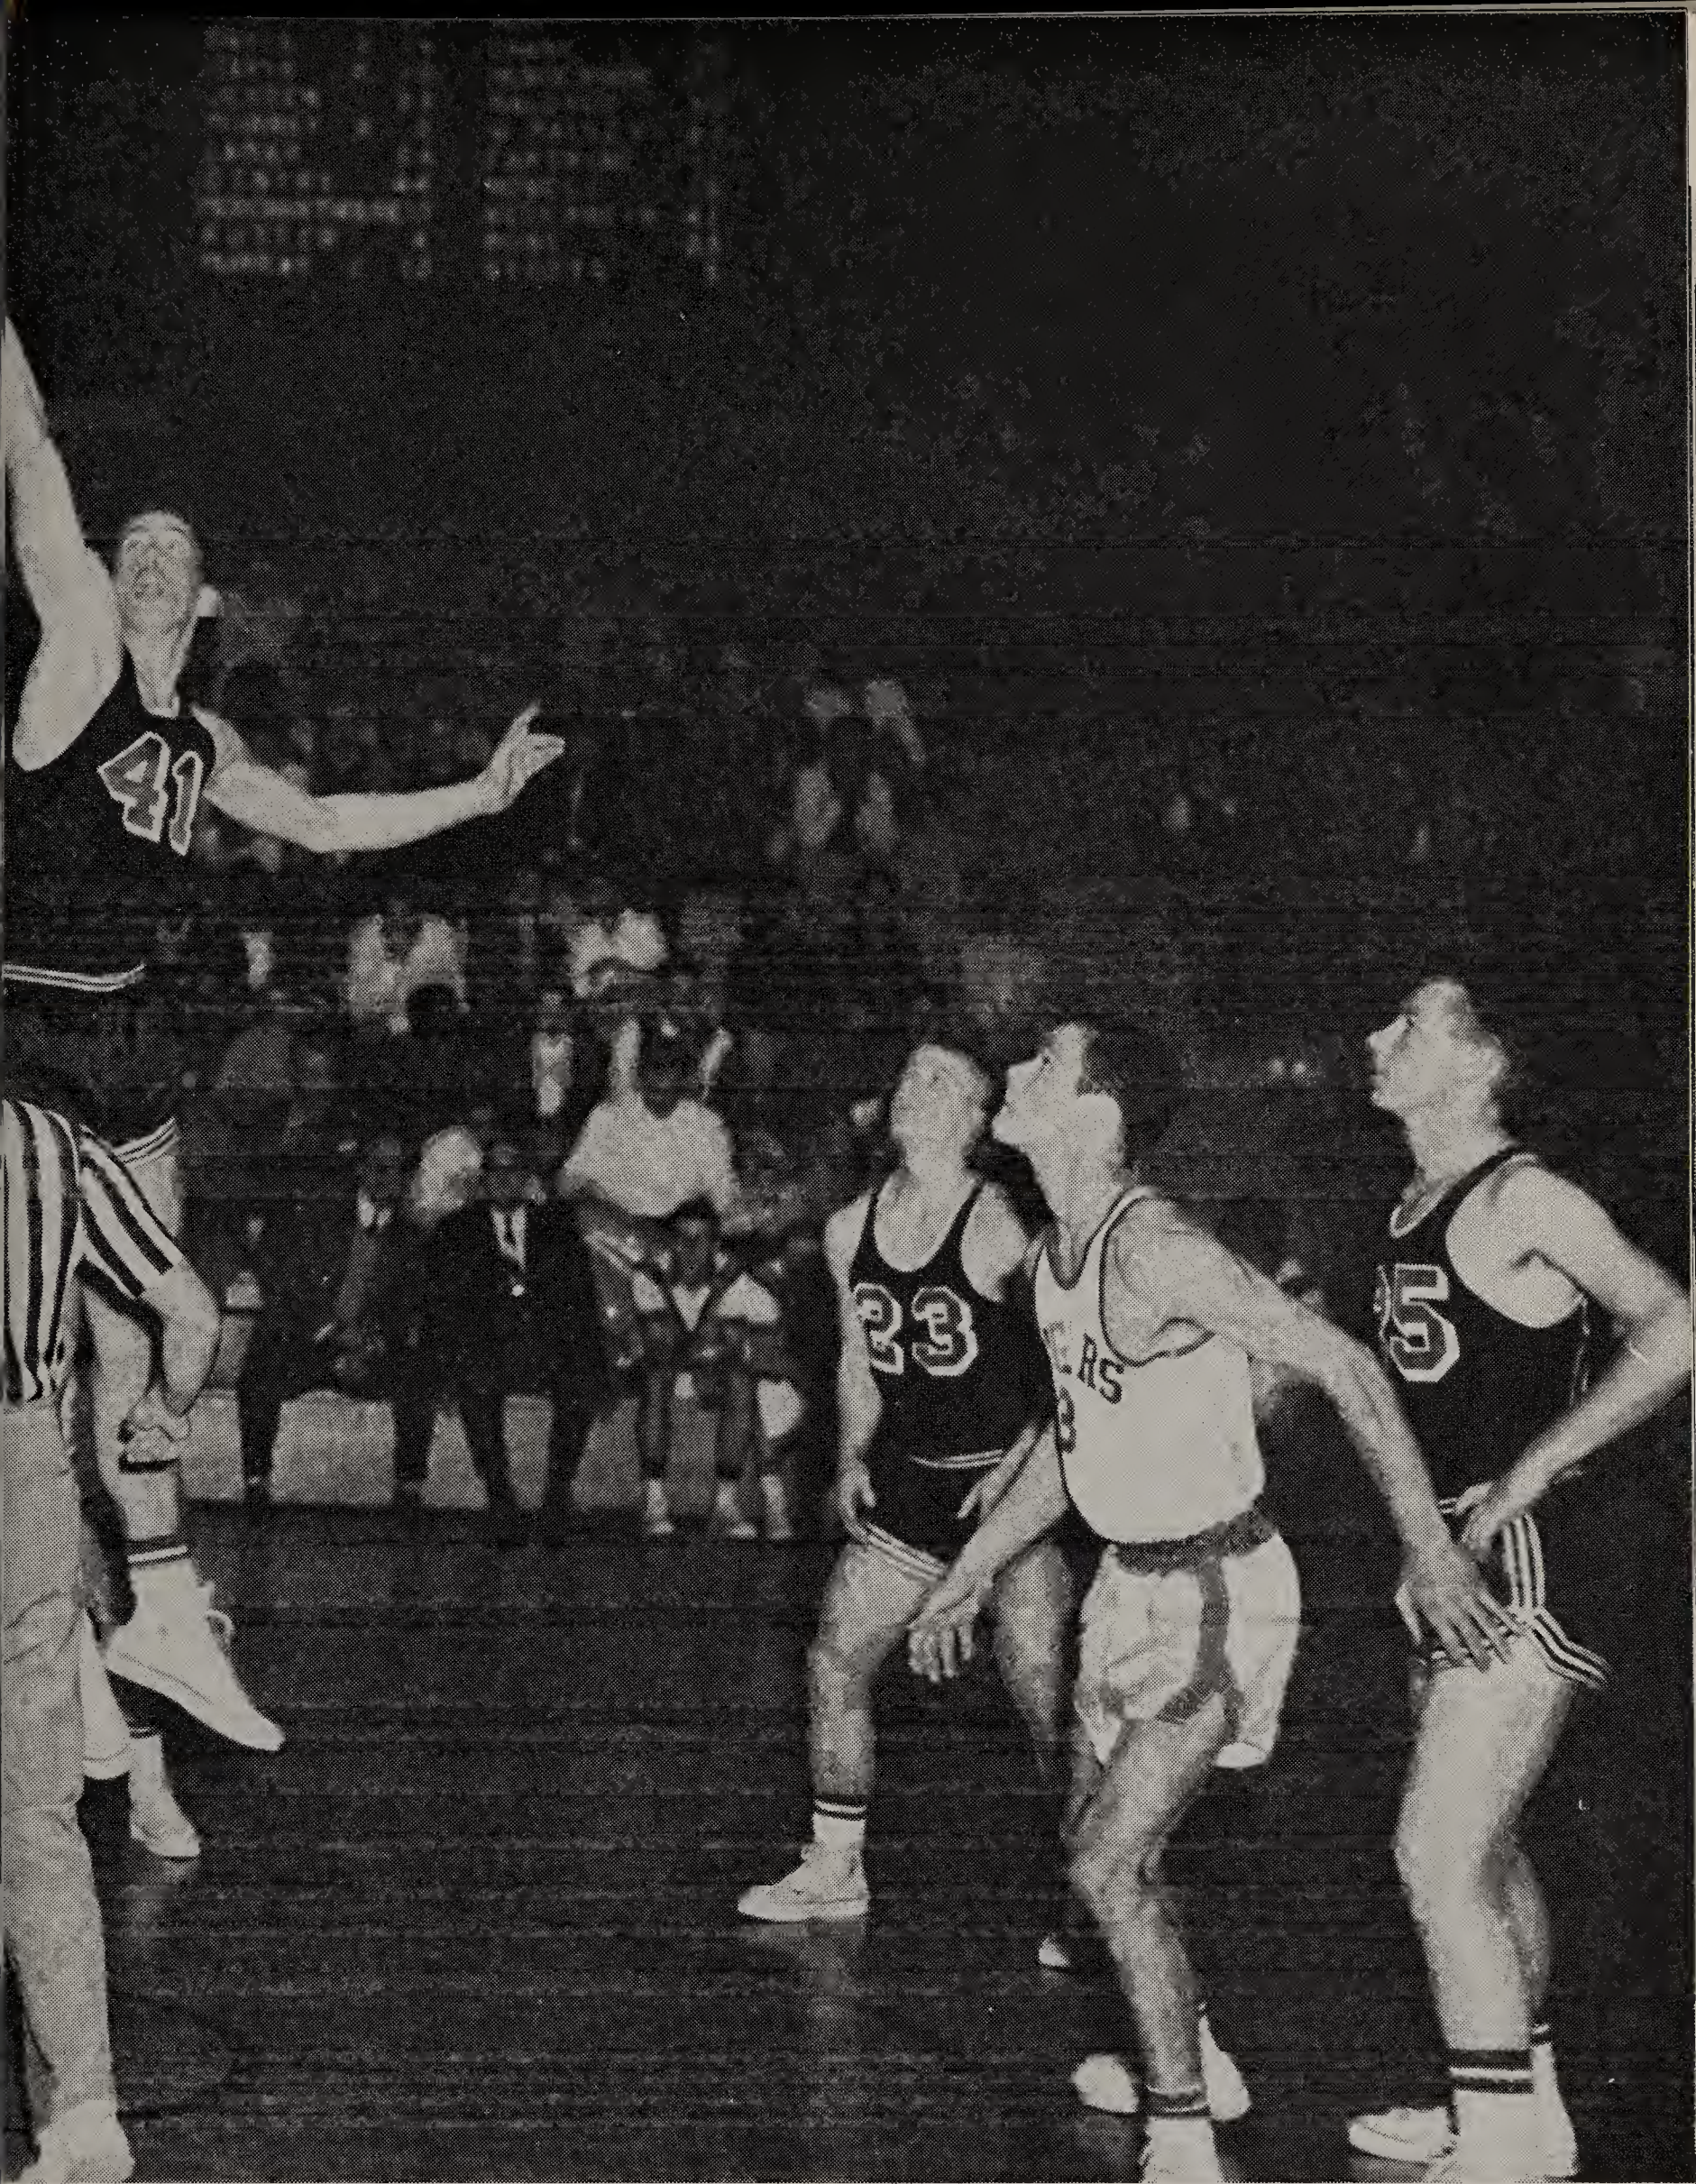

Moonlight Cruise

The 1959 Junior-Senior Prom, entitled "Moonlight Cruise," was held May 8. We worked long and hard to prepare the dance for juniors, seniors and guests. Many hours were donated by our junior class in the preparation of the dance. The week before prom, swished by leaving us in a daze. We all felt as if things would never be ready; last minute calamities left us in a frenzy. But finally, the creation was completed. We exchanged our paint-smeared, dirty levis for exciting formal wear.

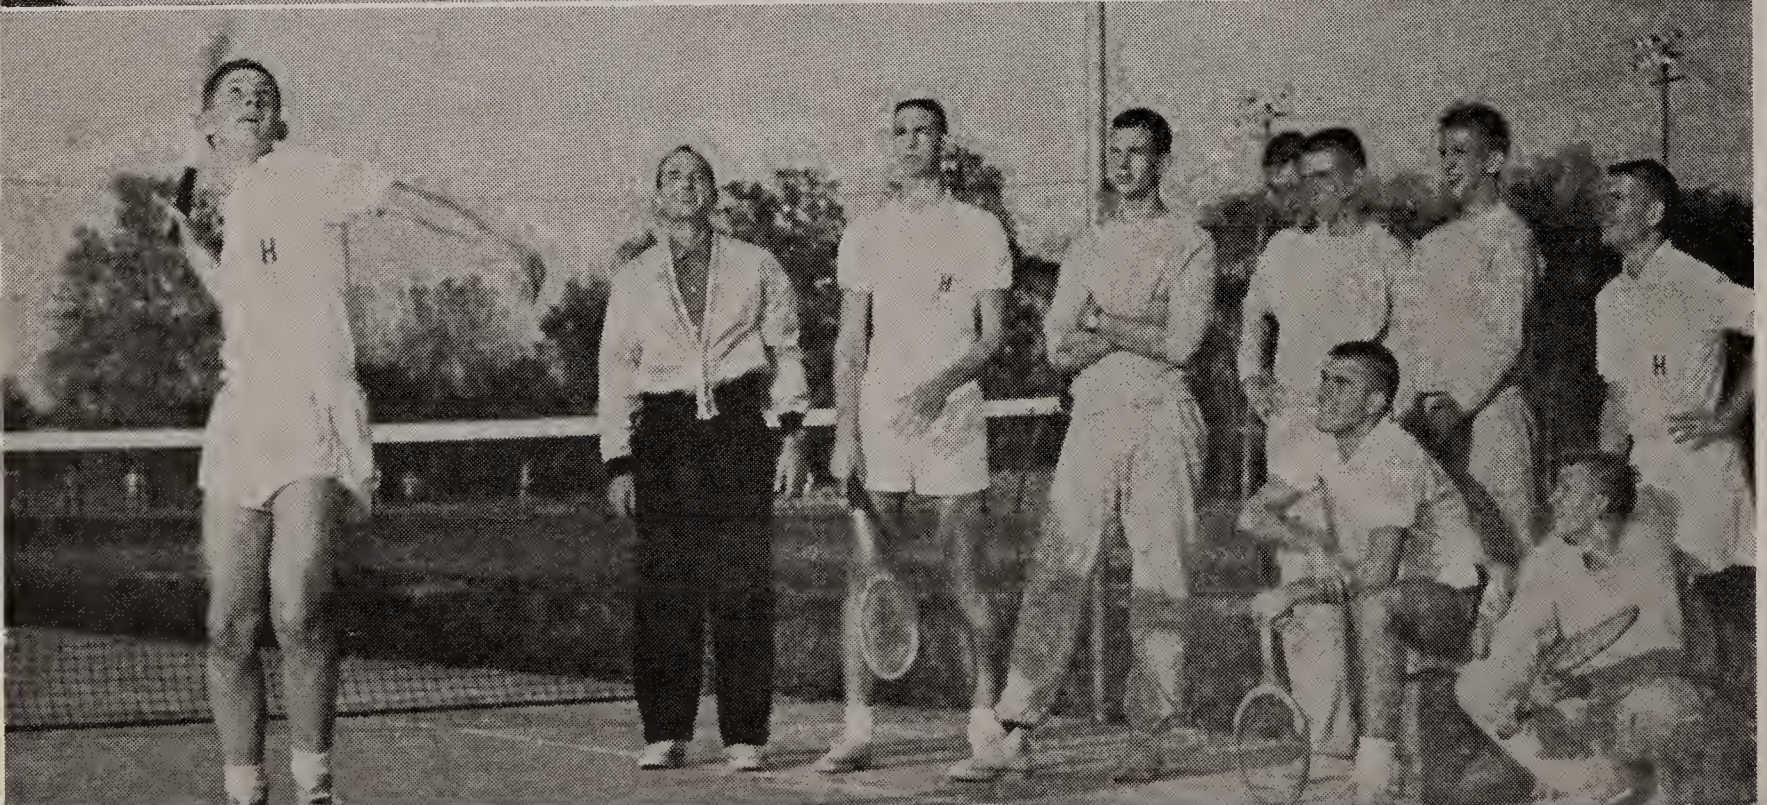

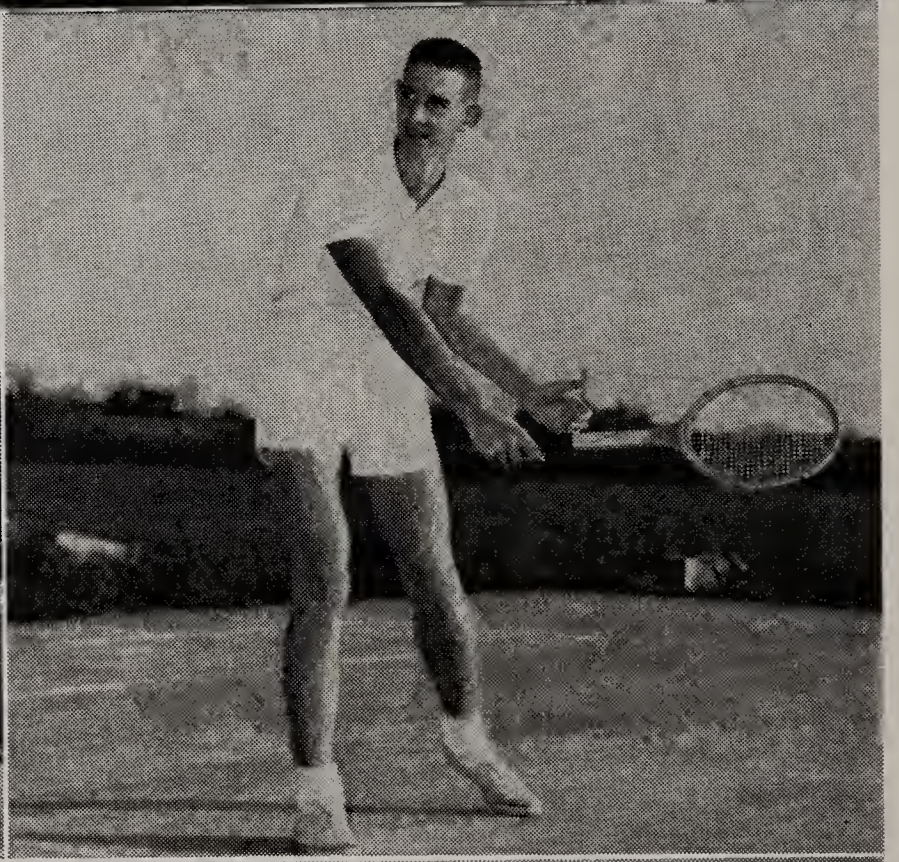

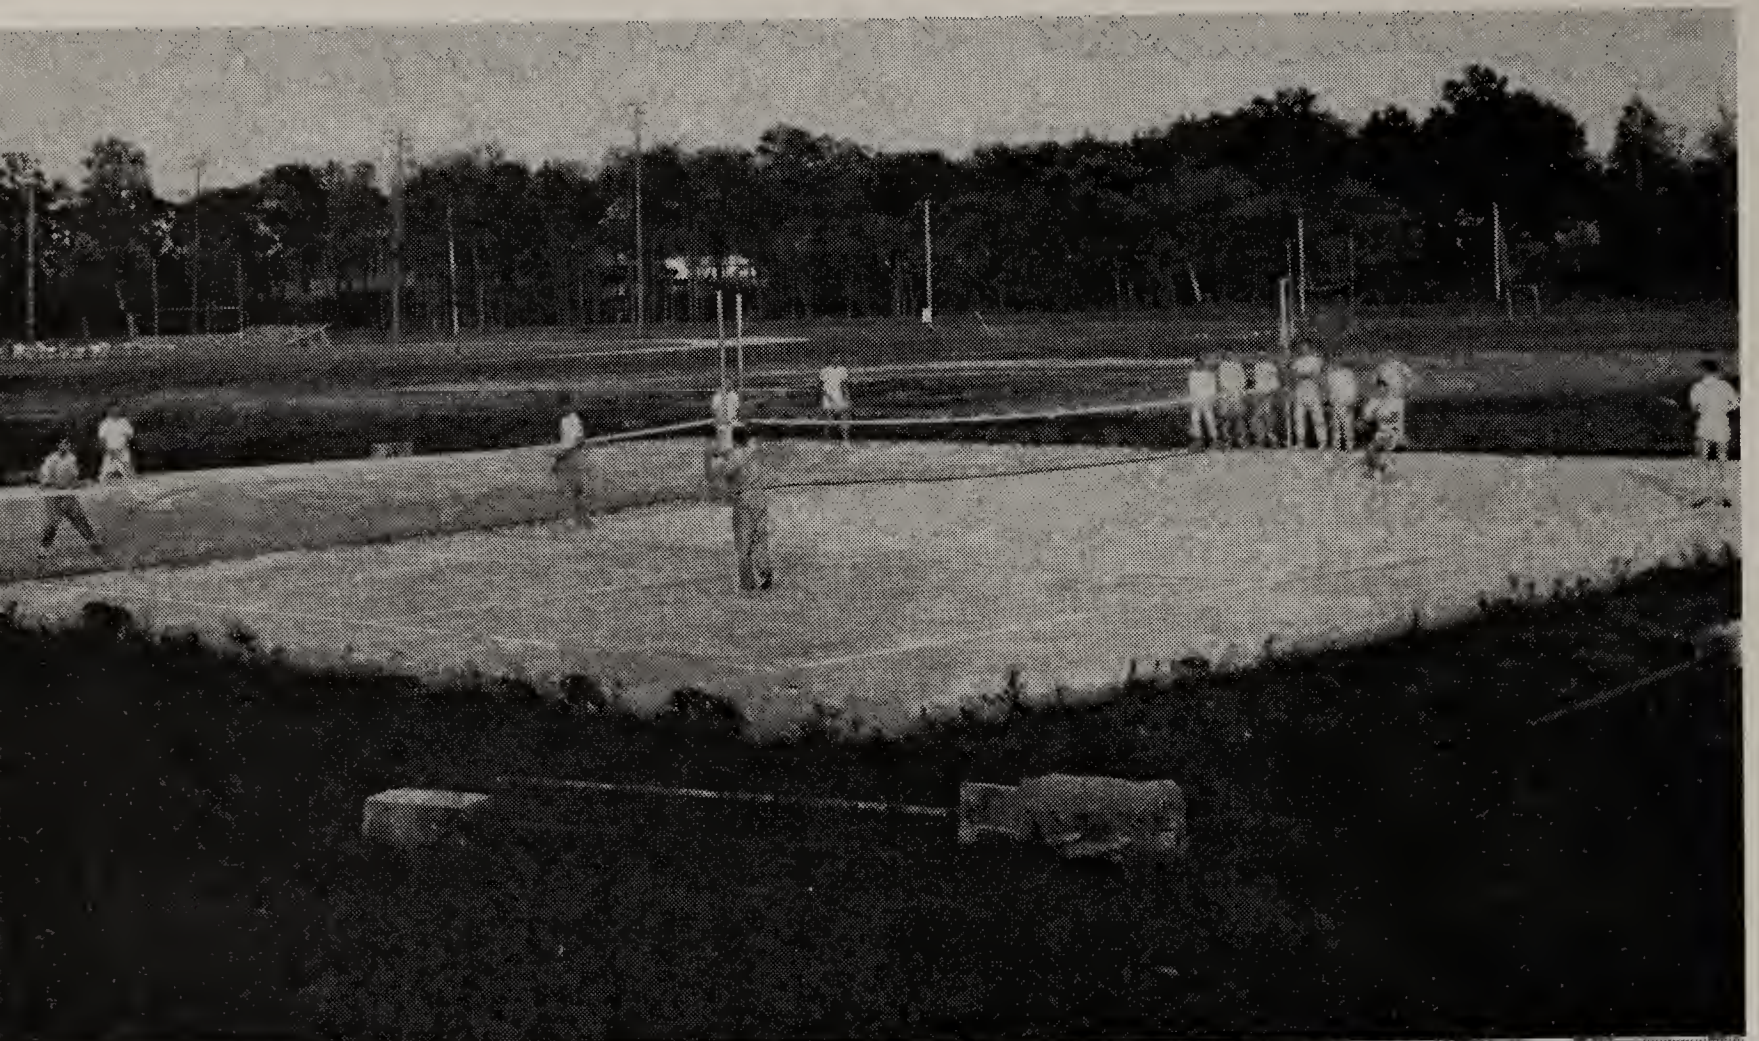

We were swept into the ante-bellum period of our history by an enchanting "Moonlight Cruise." Silhouettes of Southern gents and belles greeted us along the way. A shimmering crystal chandelier highlighted the dancers, enjoying the music of Don Meredith and the Diplomats. Taking us on the cruise was a gigantic blue and white showboat. We will all agree that "Moonlight Cruise" was a memorable event which we will never forget.
